## Research Ethics

Dear Defne YAVUZ,

Re your project: *Independent Research Project on the Relationship B*

*Ref: 477039*

The Departmental reviewer has confirmed that ethics approval is not required for this study.

The following comments from Ben TAPPIN were included:

### Data Management Plans

Please consider whether you should complete a data management plan and submit it for review by the Research Data Librarian. This will help to ensure that you have made appropriate plans for organising and securing the data on your project.

Please see the Data Management Toolkit [here](#).

All completed data management plans and enquiries should be sent to [datalibrary@lse.ac.uk](mailto:datalibrary@lse.ac.uk).

Data Management Plans are mandatory for funded research.

### Travel

If you will be travelling abroad to conduct your data collection you must complete a Notification to Travel form. Please refer to the guidance [here](#), and contact [Health.and.Safety@lse.ac.uk](mailto:Health.and.Safety@lse.ac.uk) if you have any questions.

If you have any further questions, please contact [research.ethics@lse.ac.uk](mailto:research.ethics@lse.ac.uk)
